

You are invited to...

We ♥ Small Charities: *a workshop and clinic*

In conjunction with the SpeakUp Forum local firm UK Charity Insurance offers you a FREE workshop and insurance clinic this Valentine's Day.

We'll share our expertise to prepare you and give you the boost you need to set off on the right footing for the year ahead.

The morning workshop will show you how to suitably manage the risks your charity faces and will cover such topics as:

- What are the roles and responsibilities of trustees in managing risk?
- How to protect your trustees as they carry out their duties
- Working with employees and volunteers - things to consider.
- Preparing in advance to survive a catastrophe – reputation and continuity

...and much, much more.

After lunch, if you book, you'll benefit from a free, no-obligation 20-minute session in our Insurance Clinic where you'll have the chance to sit with one of our charity insurance experts to review and discuss your charity cover.

You can book for one or both sessions.

When

Tuesday 14th February 2017, 11am-2pm

Where

The Annexe, 3VA, 8 Saffrons Road, Eastbourne, BN21 1DG

Please RSVP by Friday 10th February to Nick Day.
